MEMORANDUM FOR: D/DCI/NI

SUBJECT : Meeting with Senate Select Committee's Subcommittee
Staff on Intelligence Production and Quality

1. [] Deputy Legislative Counsel, visited me today to announce that this meeting will take place at 10:00 a.m. Monday, 2 August, in the DDI conference room. The purpose of the meeting is to acquaint the staffers with the full range of the Agency's production, including showing them examples. The staff members will select from what's shown them certain products for their evaluation.

STAT

2. [] is interested in having someone from the NIO staff to talk to our products and requests a name as soon as possible so that he can have a rehearsal meeting on Friday, 30 July.

STAT

3. I raised the problem of allowing Committee staff members to retain estimates and other interagency products, referencing the refusal of the request not so long ago to send the staff an estimate of some vintage. [] said that the decision had been made, he thought by Mr. Knoche, to give the staffers everything except contingency estimates.

STAT

4. [] said the other attendees at the proposed meeting would not be of your rank.
